

10-Inch Children's Bicycle with Training Wheels

This 10-inch bicycle is designed for children learning to ride. It includes training wheels, a padded seat, and a durable steel frame.

Product Overview

Designed for Young Riders

This 10-inch children's bicycle is specifically engineered for young riders who are just beginning their cycling journey. Featuring a durable steel frame with a vibrant blue finish, it provides a stable and reliable platform for learning. The inclusion of training wheels ensures safety and confidence, while the padded seat offers essential comfort for extended play sessions.
