Modern Conical Shade Pendant Light

This droplight features a modern design with multiple clear, conical shades suspended at varying heights. Each shade houses a light source surrounded by a frosted ring, providing a soft, diffused glow.

Overview

Modern Conical Pendant Lighting

The Modern Conical Shade Pendant Light features a sophisticated design with twelve clear conical shades suspended at varying heights. Each shade is equipped with a light source surrounded by a frosted ring, ensuring a soft and diffused glow that enhances any interior space. This dynamic arrangement creates a visually striking fixture suitable for professional and residential environments.
