

100-Piece Drill and Bit Set for Wood, Metal, and Plastic

This comprehensive 100-piece drill and bit set is designed for a wide range of drilling and fastening applications. The bits are made from high-speed steel (HSS) or chrome vanadium steel for durability and come in a durable carrying case for easy storage.

Product Overview

Comprehensive 100-Piece Drilling Solution

This versatile 100-piece drill and bit set is engineered to handle a wide range of drilling and fastening tasks in wood, metal, and plastic. Constructed from high-speed steel (HSS) and chrome vanadium steel, the components offer exceptional durability and consistent performance for professional applications. The organized carrying case ensures portability and keeps all bits, drivers, and accessories readily accessible for efficient workflow.
