Product Overview

High-Performance Cordless Chainsaw

This 58V lithium-ion cordless chainsaw is engineered for versatility and power, making it an ideal choice for pruning, limbing, and light-duty tree felling. It features a high-performance motor capable of reaching 11,000 rpm, ensuring efficient cutting through thick branches and logs. With its 16-inch cutting length and cordless design, this tool offers professional-grade freedom of movement without the restriction of power cords.

Technical Specifications

Chain Speed	11000 rpm
Cutting Length	16 inches
Cutting Length (Metric)	406 mm

Power System

Available Power Output

- 1.0 kW
- 1.5 kW

Battery Voltage	58 V
Battery Technology	Lithium-Ion (Li-Ion)

Features

Key Features	Cordless, Ergonomic Handle, Safety Start Mechanism, High-Performance Motor

Usage

Recommended Applications

Pruning • Limbing • Light-duty tree felling • Professional use • Home use
