Product Overview

Reliable Power Connectivity

This 10A 250V AC power plug is designed for efficient electrical power transmission in various distribution applications. Constructed with durable ABS material and high-quality copper components, it ensures a safe and reliable connection for standard electrical appliances. Featuring a standard pin configuration, this plug is built to meet essential safety standards for consistent performance.

Technical Specifications

Rated Current	10 A
Rated Voltage	250 V
Pin Diameter	4 mm

Materials and Construction

Housing Material	ABS
Contact Material	Copper

Compliance and Standards

Certifications	CE
Country of Origin	China
