Electric Scooter with Step-Through Frame

This electric scooter is designed for urban commuting. It features a step-through frame, front and rear lights, rearview mirrors, and a luggage rack.

Overview

Urban Commuting Redefined

This elegant electric scooter is designed for efficient urban commuting, featuring a classic aesthetic with a dark blue body, brown leather seating, and premium chrome accents. Its step-through frame ensures easy access for riders of all abilities, while the integrated electric motor provides a clean, quiet, and reliable transportation solution. Equipped with essential safety and utility features like front and rear lighting, rearview mirrors, and a rear luggage rack, it perfectly balances style with daily functionality.
