

110cc Step-Through Motorcycle with Basket and Carrier

This 110cc motorcycle is designed with a step-through frame, front basket, and rear carrier. It is equipped with a single-cylinder engine and standard motorcycle controls.

Overview

Reliable Urban Commuter

The HJ110-5 is a versatile 110cc step-through motorcycle designed for efficient urban transportation and daily tasks. Featuring a practical front basket and a rear carrier with a backrest, it balances utility with ease of use. Its lightweight frame and reliable single-cylinder engine make it an ideal choice for navigating city streets.
