

1200W Electric Circular Saw with 185 mm Blade

This 1200W electric circular saw is a versatile tool for cutting wood and other materials. It features a high-speed motor for efficient cutting and an adjustable base for precise depth control.

Product Overview

Professional Performance

This 1200W electric circular saw is engineered for high-efficiency cutting tasks in wood and similar materials. It combines a high-speed motor with a durable 185mm blade to deliver reliable results for demanding projects. Designed with user safety and comfort in mind, the tool includes an adjustable base for precise depth control and ergonomic handling to minimize fatigue during extended operation.

Technical Specifications

Power Output

1200 W
Rated Power

Blade Diameter	185 mm
Blade Bore	20 mm
Blade Thickness	2.4 mm

Features & Safety

Usability

- Adjustable base for precise depth control
- Ergonomic design for reduced fatigue
- High-speed motor for efficient cutting

Safety Features	Blade Guard, Lock-off Switch
