Top-Freezer Refrigerator with Floral Design

This refrigerator features a top freezer and a bottom refrigerator compartment. The exterior is light-colored and adorned with a floral design.

Overview

Modern Floral Aesthetics

This top-freezer refrigerator combines elegant design with practical cooling solutions, making it an ideal choice for stylish residential or commercial settings. The unit features a modern two-door configuration with a dedicated top freezer and a spacious bottom refrigerator compartment. Its distinct floral patterned exterior offers a sophisticated aesthetic upgrade to standard kitchen appliances.
