Overview

Compact Vehicle Cleaning Solution

This portable 12V car vacuum is designed for efficient, on-the-go maintenance of vehicle interiors. Featuring a bagless design and a retractable crevice tool, it easily navigates tight spaces to manage spills, pet hair, and daily debris. The integrated LED light assists in illuminating dark areas, while the long cord ensures reach throughout any standard vehicle cabin.

Technical Specifications

Power Input	12V DC (Car Cigarette Lighter)
