Overview

Portable Cosmetic Storage Solution

This 14L portable mini fridge is an ideal solution for organizing and preserving cosmetics, skincare products, and beverages. Designed for versatility, it features both cooling and heating capabilities, making it suitable for home, office, or travel use. With its compact footprint and energy-efficient semiconductor technology, it provides a reliable, quiet environment to maintain the efficacy of your beauty essentials.

Technical Specifications

Secure retail packaging ensures product safety during transit.

Item Number	MFA-14L
Capacity	14 L
Power Consumption	48 W
Cooling Performance	16-20°C below ambient temperature
Heating Performance	50-60°C
Refrigeration Principle	Semiconductor Refrigeration

Power & Connectivity

Cable Lengths

2 m

Car Charger Cable

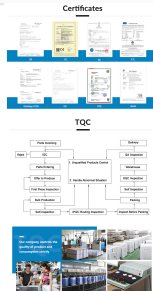

1.8 m

Household Cable

Power Input

DC 12V, AC 100V-240V
