

150cc All-Terrain Vehicle ATV

This all-terrain vehicle is designed for off-road adventures. It features a powerful engine, durable frame, and responsive handling for a thrilling riding experience.

Overview

Rugged 150cc All-Terrain Vehicle

This 150cc ATV is built for versatile off-road performance, combining a reliable 4-stroke engine with a fully automatic CVT transmission for ease of use. Designed with a durable dual A-arm suspension and robust tires, it offers stability and traction across various terrains. It is a practical choice for both recreational riding and light utility tasks, featuring front and rear racks for cargo and a comfortable ergonomic design.
