

16-Inch Children's Bicycle with Training Wheels

This children's bicycle has 16-inch wheels and a step-through frame. It includes training wheels to help young riders learn to balance.

Product Overview

Designed for Young Riders

This 16-inch children's bicycle is engineered to provide a safe and enjoyable learning experience for new riders. Featuring a durable step-through frame design for easy mounting and dismounting, it ensures stability and confidence. The inclusion of training wheels makes it an ideal choice for children transitioning to independent cycling.
