

16-Inch Children's Chopper Bicycle with Training Wheels

This 16-inch children's bicycle features a chopper-style frame with flame decals and a banana seat. It is equipped with training wheels for stability and learning.

Product Overview

Classic Chopper Style for Young Riders

This 16-inch children's chopper bicycle is designed to combine classic, eye-catching aesthetics with essential safety features for new riders. Featuring a vibrant red frame with distinct flame decals and a signature banana seat with a sissy bar, it offers a unique look that kids love. Equipped with sturdy training wheels, it provides the necessary stability for beginners while maintaining a stylish, grown-up chopper appearance.
