

# 16V Cordless Screwdriver with 1/4" Chuck

This is a 16V cordless screwdriver with a 1/4" chuck. It is powered by a 2AH lithium-ion battery and designed for various fastening applications.

## Product Overview

### Professional Cordless Screwdriver

This 16V cordless screwdriver is engineered for efficiency and convenience in various fastening applications. It features a robust two-speed powder metallurgy gearbox and a 1/4" chuck for quick bit changes. Designed for portability, the tool includes a belt clip for high-altitude operations and a built-in LED light for working in dimly lit environments.

## Technical Specifications

Maximum Initial Voltage	16 V
Nominal Voltage	14.4 V
Chuck Size	1/4 inch

## Performance & Features

### Key Features

- Built-in LED work light
- Two-speed powder metallurgy gearbox
- Spindle lock for easy bit changes
- Integrated belt clip
- Short circuit protection
- Battery capacity indicator

Battery Technology	Lithium-ion, Quick Charge
Quick Charge Time	1 hour
