

16V Cordless Screwdriver with 1/4" Chuck

This cordless screwdriver is powered by a 16V lithium-ion battery. It features a 1/4" chuck, offering compatibility with various screwdriver bits.

Overview

Professional Cordless Screwdriver

This 16V cordless screwdriver is engineered for efficiency and convenience in various fastening applications. Featuring a two-speed powder metallurgy gearbox and a 1/4 inch chuck, it offers reliable performance for both high-altitude and standard tasks. The lithium-ion battery system ensures extended runtime, while the integrated LED light and belt clip design enhance usability in demanding work environments.

Technical Specifications

Maximum Initial Voltage	16 V
Nominal Voltage	14.4 V
Chuck Size	1/4 inch

Features

Key Features

- Built-in LED work light
- Two-speed powder metallurgy gearbox
- Spindle lock for quick bit changes
- Integrated belt clip
- Short circuit protection

Battery System	Lithium-ion, 1 Hour Quick Charge, Capacity Indicator
