

2.0 Channel USB Powered Desktop Speakers

These 2.0 channel speakers offer a simple and elegant design, providing enhanced audio for desktops. The integrated design includes a subwoofer and satellite speakers, with an elevation angle for improved sound in near field environments.

Product Overview

Compact Desktop Audio Solution

The 2.0 Channel USB Powered Desktop Speakers offer a convenient and space-saving audio enhancement for computers and laptops. Featuring a dual-driver design with 2.75-inch and 1-inch units, these speakers deliver clear sound reproduction for music, gaming, and multimedia applications. The system is designed for ease of use, powered directly via USB and featuring a simple, stable design suitable for any workspace.
