

2.0L Electric Kettle with Water Level Indicator

This electric kettle boils water quickly and efficiently. It features a water level indicator with markings for minimum and maximum fill levels, making it suitable for household use.

Overview

Efficient Boiling Solution

This 2.0L electric kettle is designed to provide a convenient and efficient way to boil water for household use. It features a clear, easy-to-read water level indicator that helps users measure precise amounts of water from 0.5L up to the 2.0L maximum capacity. With its user-friendly handle and simple operation, it is an ideal appliance for daily hot water needs.
