

## 20V 2.6Ah Lithium-Ion Battery

This is a 20V 2.6Ah lithium-ion battery. It provides extended run-time and reliable power delivery for various power tools and electronic devices.

### Product Overview

#### High-Performance Power Solution

This 20V 2.6Ah Lithium-Ion battery is engineered to deliver reliable and consistent power for a variety of professional and DIY electronic devices. Designed for extended run-time, it ensures your tools operate efficiently throughout demanding tasks. The unit features a durable construction and an integrated charge level indicator for convenient monitoring of power status.

### Technical Specifications

Voltage	20 V
Capacity	2.6 Ah
Battery Chemistry	Lithium-Ion
Model Number	29617

### Key Features

Key Features	Lithium-Ion Technology, Charge Level Indicator, Durable Construction, Extended Run-time
