

20V Brushless Cordless Metal Nibbler

This 20V Brushless Cordless metal nibbler is a powerful tool for making precise cuts in metal. Its brushless motor ensures efficient performance and extended runtime.

Product Overview

Precision Metal Cutting Performance

The 20V Brushless Cordless Metal Nibbler is engineered for professionals requiring precise, burr-free cuts in sheet and corrugated metal. Featuring a high-efficiency brushless motor, this tool offers extended runtime and consistent power for demanding metalworking tasks. Its cordless, ergonomic design ensures maximum mobility and reduced operator fatigue during extended use.

Technical Specifications

Voltage	20 V
Motor Type	Brushless
No-Load Speed	1200 rpm
Max Cutting Capacity	1.6 mm

Power & Battery

Battery Capacity Options

- 1.5Ah
- 2.0Ah
- 4.0Ah

Battery Indicator	Yes
-------------------	-----

Features

Key Features

Quick Stop • Soft Grip • No Tooth Cutting • Cordless
