Product Overview

Professional Cordless Drill Driver

This 20V cordless drill driver is engineered for versatility and reliability in demanding drilling and driving applications. It features a robust two-speed gearbox and a convenient 1/2-inch chuck for quick bit changes. Designed with the user in mind, it includes an integrated LED work light, a belt clip for portability, and advanced battery management features to ensure consistent performance on the job site.

Technical Specifications

Maximum Voltage	20 V
Nominal Voltage	18 V
Chuck Capacity	1/2 inch

Power & Battery

Battery Chemistry	Lithium-ion
Battery Capacity	4 Ah
Quick Charge Time	1 hour

Key Features

Safety & Protection

- Short circuit protection
- Battery capacity indicator
- High altitude operational capability

Core Functionality

LED Work Light, Two-Speed Gearbox, Spindle Lock, Belt Clip
