

20V Cordless Drill Driver with 1/4" Chuck

This cordless drill driver is powered by a 20V lithium-ion battery (not included). It features a 1/4" chuck for easy and fast bit changes.

Overview

Professional Cordless Performance

This 20V cordless drill driver is engineered for versatility and efficiency in diverse drilling and driving applications. It features a robust two-speed powder metallurgy gearbox and a convenient 1/4" chuck system for rapid bit changes. Designed for mobility and ease of use, it includes a built-in LED work light, a belt clip for high-altitude operations, and a spindle lock mechanism.

Technical Specifications

Maximum Initial Voltage	20 V
Nominal Voltage	18 V
Chuck Size	1/4 inch

Features

Key Features

- Built-in LED work light
- Two-speed powder metallurgy gearbox
- Belt clip design
- Spindle lock for quick bit changes
- Multifunctional quick-change design

Battery & Power

Battery Technology

Lithium-ion

Quick Charge Time

1 hour
