

24V Lithium Battery Electric Bicycle with Step-Through Frame

This electric bicycle features a step-through frame for easy mounting and dismounting. It is equipped with a front basket for carrying items and a rear rack for additional storage.

Product Overview

Versatile Urban Commuting

This electric bicycle is engineered for convenience, featuring a user-friendly step-through frame that allows for effortless mounting and dismounting. Equipped with a reliable 24V lithium battery, it provides consistent electric assistance suitable for both daily urban commuting and casual leisure rides. The design emphasizes utility with integrated storage solutions, including a front basket and a rear rack for your everyday needs.
