

## 3-8 kW Top-Open Silent Diesel Generator

This top-open diesel generator is available in 3kW to 8kW power outputs. Its silent operation makes it suitable for noise-sensitive environments.

### ADDITIONAL IMAGES

### Product Overview

#### Silent Diesel Power Solution

This top-open silent diesel generator provides robust power output ranging from 3kW to 8kW. Engineered for reliability, it features high-performance diesel engines and 100% copper alternators to ensure stable power delivery even for inductive loads. Its design prioritizes low noise operation and efficient heat dissipation, making it an ideal choice for noise-sensitive or demanding environments.

### Technical Specifications

#### Core Features

- Low noise running
- 100% copper alternator
- Advanced winding technology
- Automatic Voltage Regulator (AVR)
- Low oil level alarm system
- Easy maintenance and repair

#### Available Power Output

3kW, 5kW, 6kW, 7kW, 8kW

### Safety & Durability

#### Safety Protection Mechanisms

Overload Protection • Short Circuit Protection • Low Oil Alarm • Weather Resistant

## Design

### Design Advantages

- Top-open access for easy maintenance
- Optimized for heat dissipation
- Suitable for outdoor use in rainy conditions
- Silent operation enclosure
