

3-Ton Chain Lever Hoist

This chain lever hoist is designed for heavy-duty lifting applications. It offers a 3-ton lifting capacity and precise load control for construction, manufacturing, and maintenance tasks.

Product Overview

Heavy-Duty Lifting Solution

The 3-Ton Chain Lever Hoist is a robust and reliable lifting device engineered for demanding heavy-duty applications. Its precision lever mechanism allows for exact load control, making it an essential tool for construction, manufacturing, and industrial maintenance. Designed with high-quality materials and a compact footprint, this hoist ensures both longevity and safe operation in even the most confined workspaces.

Technical Specifications

Rated Lifting Capacity

3 Ton
Capacity

Key Design Features

Heavy-duty, Compact design, Precise lever control, Durable chain

Application Suitability

Recommended Applications

- Construction sites
- Manufacturing facilities
- Equipment maintenance
- Confined space operations
