

3.0-Ton Diesel Forklift Truck

This diesel forklift truck has a 3.0-ton load capacity for lifting heavy materials. It is designed for use in a variety of industrial settings.

Overview

Reliable 3.0-Ton Diesel Forklift

This robust 3.0-ton diesel forklift is designed for heavy-duty material handling operations. Featuring a powerful engine and hydraulic transmission, it delivers consistent performance with a maximum lifting height of 3000mm. Its compact design and tight turning radius ensure excellent maneuverability in warehouse environments.

Performance Metrics

Key Performance Metrics

3000 kg Rated Load Capacity	3000 mm Max Lifting Height	19 km/h Max Travel Speed	15 % Max Gradeability
