

32-55 inch TV Wall Mount Bracket

This TV wall mount bracket is designed for 32 to 55-inch televisions with a maximum VESA of 600 x 400. Constructed from high gauge cold rolled steel, it features a safety lock, bubble level, angle-free tilt, and an ultra-slim design.

Product Overview

Professional Grade TV Wall Mount

This ultra-slim wall mount bracket is engineered for televisions ranging from 32 to 55 inches, offering a secure and space-saving solution for both residential and commercial environments. Constructed from high-gauge cold-rolled steel, the unit ensures long-lasting stability and durability. With an angle-free tilt feature and a universal hardware pack included, it provides flexible viewing angles and straightforward installation.
