

3/4 Ton Chain Lever Hoist

This chain lever hoist is a reliable lifting tool for industrial and construction tasks. It has a 3/4 ton lifting capacity and features a durable chain and lever mechanism for smooth operation.

Overview

Versatile Industrial Lever Hoist

The Series HSH 611 lever hoist is a highly efficient and versatile hand-operated appliance designed for demanding industrial environments. It excels in applications ranging from shipbuilding and power plants to construction sites and mining operations. Engineered for maneuverability, it allows for pulling and stretching work at any angle, making it an essential tool for tight or overhead spaces.
