

# 3m x 16mm Nylon-Coated Magnetic Measuring Tape

This measuring tape has a 3m x 16mm nylon-coated blade for durability. It is equipped with a magnetic hook for easy attachment to metal surfaces.

## Overview

### Professional Measuring Tape

This 3-meter measuring tape is engineered for durability and precision in professional environments. Featuring a robust nylon-coated steel blade, it offers superior resistance to wear and tear. The inclusion of a magnetic hook and a dual-sided printed scale ensures ease of use and high visibility during construction or woodworking tasks.
