

4-in-1 Air Purifier with HEPA and Carbon Filters

This air purifier utilizes a 4-in-1 filtration system to capture airborne particles and improve air quality. It is designed for spaces up to 40 square meters and features multiple modes for customized operation.

ADDITIONAL IMAGES

Overview

Versatile design suitable for living rooms, offices, meeting rooms, and bedrooms.

High-Efficiency 4-in-1 Air Purification

This versatile air purifier features a multi-stage filtration system including HEPA and active carbon to effectively remove PM2.5, smoke, and allergens from indoor environments. Designed for spaces up to 40 square meters, it combines powerful performance with a quiet sleep mode operating at just 27dB. With smart sensors and a dedicated remote control, it offers professional-grade air quality management for homes and offices.

Performance

High-performance CADR of 280m³/h suitable for rooms up to 40 square meters.

Ultra-quiet operation at 27dB in sleep mode ensures an undisturbed environment.

Key Performance Metrics

280 m³/h
CADR

40 m²
Max Area

27 dB
Min Noise

Filtration System

Advanced 4-in-1 filtration system combined with UV light and ion technology for comprehensive air cleaning.

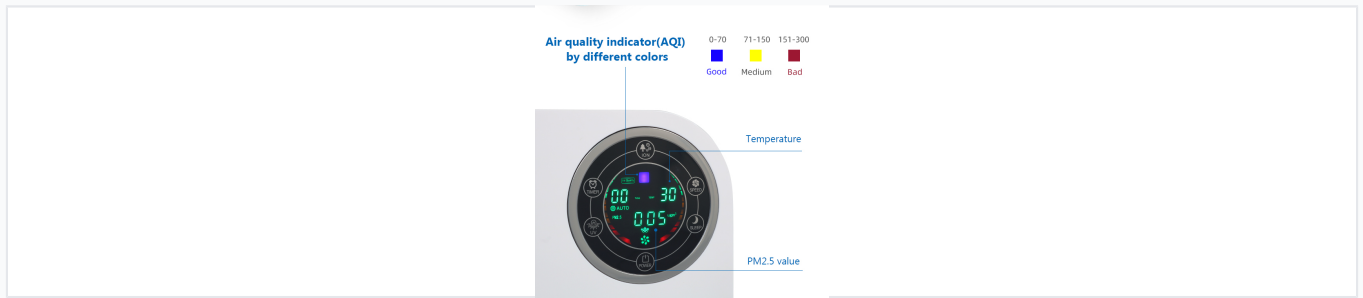

Purification Technologies

- Pre-filter
- True HEPA filter
- Active carbon filter
- Photocatalyst
- UV light sterilization
- Negative Ion generator

Target Pollutants

PM2.5, Smoke, Benzene, Dust, Formaldehyde, Bacteria, Viruses, Pollen

Smart Features

The intuitive control panel features a real-time Air Quality Index (AQI) with color-coded status indicators.

Integrated Sensors

- High-precision PM2.5 sensor
- Dust sensor
- Real-time Air Quality Indicator (AQI)

Operating Modes

- Auto Mode (adjusts speed based on air quality)
- Sleep Mode (low noise, display off)
- Normal Mode (3 manual speeds)

Control & Safety

Convenient remote control allows for easy adjustments from across the room.

Safety & Convenience

- Child Lock
- Auto-off Function
- 1-8 Hour Timer
- Filter Replacement Indicator

Control Options

Touch Screen, Remote Control

Technical Specifications

Model Number	KJ280G-C602
Filter Lifespan	3000 H
Noise Level	27dB - 46dB

Physical Dimensions

Product Size	350 x 190 x 640 mm
Net Weight	6.3 kg

Logistics

Container Loading Capacity

Container Type	Quantity (PCS)
20GP	420
40GP	840
40HQ	1000

Compliance

Certification

*CE, CB, CQC approval of **air purifier**

Fully certified with CE, CB, and CQC for international safety and quality standards.
