

45-Inch Rolling Tool Cabinet with Drawers and Door

This 45-inch rolling tool cabinet features eight drawers and a side door. It is designed for organized tool storage and easy mobility in workshops, garages, and industrial settings.

Overview

Professional Rolling Tool Storage

This 45-inch rolling tool cabinet is engineered for heavy-duty professional environments, offering a versatile mix of drawer sizes and a dedicated side storage door. Built with robust steel construction and equipped with smooth ball-bearing slides, it provides secure and organized access to a wide range of tools. The unit features high-end locking mechanisms and premium EVA liners to protect both your equipment and the cabinet interior.
