

4kW Mobile Vehicle Power Generator

This 4kW mobile power generator is designed for a variety of vehicle applications. It delivers a stable 4kW power output suitable for powering a wide range of electrical equipment and tools in mobile settings.

Product Overview

Robust Mobile Power Solution

The 4kW All Vehicle Generator is a versatile power solution engineered specifically for mobile applications. Encased in a durable, weather-resistant enclosure, it provides reliable performance in demanding environments, making it an ideal choice for mobile workshops, emergency services, and off-grid power needs. Its compact design features integrated mounting points, ensuring secure installation on a wide variety of vehicles.

Performance

Power Output

3500 W
Rated Power

4500 W
Max Power

Voltage Options AC 100V/120V/230V, DC 72V/48V/24V

Noise Level 52-55 dBA

Operation

Starting Methods

- Electric Control Box
- Remote Control
- Bluetooth
- Mobile App

Compatible Fuel Gasoline, LPG

Physical Specifications

Weight 32.5 Kg

Dimensions 565mm x 423mm x 317mm
