

5-Inch Clip-On Oscillating Table Fan

This 5-inch clip fan provides personal cooling with a DC5V 2.5W power supply. It features a two-speed setting for customized airflow.

Product Overview

Compact Personal Cooling Solution

The 5-Inch Clip-On Oscillating Table Fan is a highly versatile and portable cooling device designed for professional and personal environments. It features a robust 2.5W motor with two adjustable speed settings to suit varying airflow needs. Its compact, clip-on architecture makes it an ideal solution for space-constrained offices, desks, and dorm rooms.
