

5-Meter Measuring Tape with Robust Casing

This compact measuring tape is designed for accurate measurements. It features a 5-meter long and 25mm wide tape, encased in a robust casing for durability.

Product Overview

Professional Grade Measuring Tape

This 5-meter measuring tape is engineered for durability and precision in professional environments. It features a robust ABS casing designed to withstand daily wear, paired with a high-quality steel blade protected by a nylon coating. With clear SAE and metric markings, it ensures accurate readings for a wide range of construction and layout tasks.
