

50kW Diesel Generator Set

This diesel generator set delivers 50kW of power. It is designed for reliable power generation across industrial, commercial, and residential sectors.

Overview

Reliable Power Generation

This 50kW diesel generator set is engineered for consistent and dependable performance across industrial, commercial, and residential applications. Featuring a robust construction design, it ensures durability under various operating conditions. The unit is optimized for efficient cooling and simplified maintenance, making it a practical solution for critical power needs.

Technical Specifications

Rated Power

50 kW

Rated Power

Model Number

JDP50-DE

Features

Key Features

- Robust construction for durability
- Efficient cooling system
- Easy maintenance design

Applications

Suitable Applications

Industrial, Commercial, Residential
