

55L Beverage Display Refrigerator with Light Box

This display refrigerator features a light box to attractively showcase beverages and other products. It is suitable for brand show stands, stores and shops and offers customization options for decoration and door style.

Product Overview

Compact Commercial Display Solution

This 55L beverage display refrigerator is engineered for optimal product visibility in commercial settings like cafes, shops, and restaurants. Featuring a built-in light box, it effectively highlights your merchandise to attract customers. The unit utilizes a reliable compressor-based cooling system to maintain consistent temperatures, ensuring beverages are served perfectly chilled.
