Product Overview

Professional Performance for Wood Cutting

This 58cc gasoline-powered chainsaw is engineered for durability and consistent performance in demanding wood-cutting tasks. Featuring an advanced digital-type ignition system and excellent lubrication mechanics, it delivers stable operation and reduced vibration for the user. Designed with a long-lasting engine capable of 150-200 hours of reliable duty, this tool is ideal for forestry, landscaping, and firewood preparation.

Technical Specifications

Engine Metrics

58 cc

Displacement

2.2 kw

Rated Power

11000 rpm

Max Speed

5.1 kg

Dry Weight

Fluid Capacities

- Fuel Tank: 520 ml
- Oil Tank: 260 ml

Configuration & Options

ZOMAX®

Professional-grade chainsaw configuration with 20-inch bar.

Cutting Specifications

Component	Available Options
Bar Length	16", 18", 20", 22", 24"
