

6-Inch Long Nose Pliers

These 6-inch long nose pliers feature a slim profile for accessing tight spaces. The precision-machined jaws ensure secure gripping, while the ergonomic handles provide comfortable use.

Product Overview

Precision Long Reach Pliers

These 6-inch long nose pliers are engineered for versatility in confined workspaces. Constructed from durable 55# carbon steel, they feature hardened cutting edges that maintain sharpness over extended use. The ergonomic PP+TPR handle design ensures user comfort, while the machined jaws provide superior gripping strength for intricate tasks.

Technical Specifications

Material	55# Carbon Steel
Handle Material	PP+TPR
