

63.3cc Earth Auger with 2.2kW Power

This earth auger features a 1E48F engine with a displacement of 63.3 ml. It delivers a power of 2.2kw at 7500rpm and is ideal for drilling holes for planting, fencing, and landscaping.

Overview

High-Performance Earth Auger

This 63.3cc Earth Auger is designed for efficiency and versatility in landscaping and construction tasks. Engineered for double operation, it provides robust power to tackle various terrain types with ease. With its portable design and compatibility with drill sizes ranging from 100mm to 300mm, it is an essential tool for planting, fencing, and ground preparation.

Technical Specifications

Power Output

2.2 kW

Power

7500 rpm

Rated Speed

Engine Model	1E48F
Displacement	63.3 ml
Gross Weight	10.3 kg

Operational Capabilities

Compatible Drill Sizes

- 100mm
- 150mm
- 200mm
- 250mm
- 300mm

Key Features	Double Operation, Portable, All-Terrain
