

650mAh E-Cigarette Battery with Diamond Decoration

This e-cigarette battery has a 510 threading, making it compatible with eGo series atomizers and clearomizers. Voltage can be adjusted from 3.2V to 4.8V and it has a five-click on/off function.

Product Overview

Stylish E-Cigarette Power Solution

This 650mAh e-cigarette battery features a distinct diamond-decorated design, combining aesthetic appeal with functional reliability. Designed with a universal ego screw thread, it offers broad compatibility with various clearomizers including CE4, CE5, and T3 models. It is an ideal choice for buyers seeking a customizable, certified power source for e-cigarette devices.
