

7.5-Meter Measuring Tape with 25mm Blade

This measuring tape has a 7.5-meter long blade that is 25mm wide. It features a durable yellow plastic housing, a black rubber wrist strap, and a black push-button lock.

Product Overview

Professional Grade Measuring Tape

This 7.5-meter measuring tape is designed for precision and durability in professional environments. Featuring a robust 25mm wide blade constructed from high-quality #50Mn steel with specialized heat treatment, it ensures long-lasting performance and resistance to wear. The ergonomic ABS housing provides a comfortable grip, making it a reliable tool for daily construction and general measurement tasks.
