Overview

Reliable Power Generation

This 7.5kW air-cooled silent diesel generator is engineered for dependable performance in both residential and commercial settings. Enclosed in a soundproof canopy, it significantly minimizes noise levels, making it ideal for noise-sensitive environments. The unit features robust construction, user-friendly controls, and essential safety mechanisms like low oil shutdown and overload protection.

Technical Specifications

Rated Power Output

7.5 kW

Rated Power

Frequency	50 Hz
Cooling System	Air-Cooled
Noise Control	Silent (Soundproof Enclosure)

Connectivity

Available Outlets

Type	Voltage	Current
AC Outlet	220V	N/A
DC Outlet	12V	8.3A

Features

Safety & Protection

- Low oil shutdown
- Overload protection
- Soundproof casing

Portability

Yes

Certifications

Compliance

CE, ISO 9001
