

900mm Stainless Steel Range Hood with Quartz Lamps

This range hood is constructed from stainless steel 304/430 and tempered glass. It features 2 x 20W quartz lamps, piano key switches, and two filter screens.

Product Overview

Professional Grade Stainless Steel Range Hood

This 900mm stainless steel range hood is designed for high-performance kitchen ventilation, combining durable 304/430 stainless steel with tempered glass. Equipped with a powerful 190W motor, it delivers an air exhaust volume of 700m³/h to effectively manage smoke and odors. The unit features integrated quartz lighting and a versatile height-adjustable design, making it a reliable solution for professional culinary environments.
