Product Overview

High-Efficiency LED Lighting Solution

This LED light bulb offers a versatile lighting solution designed for general illumination in both residential and professional environments. Featuring an energy-efficient design, it provides bright, cool white light with a frosted dome for soft, diffused distribution. With a wide voltage compatibility and various wattage options, this bulb is engineered for reliability and long-lasting performance.

Technical Specifications

Power Consumption	9 W
Input Voltage	85V - 265V
Frequency	50/60 Hz
Color Temperature Options	6500K, 8000K, 10000K
Base Type	E26
Energy Efficiency	80 %

Product Features

Available Wattage Range

- 3W
- 5W
- 7W
- 9W
- 12W
- 13W
- 15W
- 18W
- 20W
