Product Overview

Professional Grade Measuring Tool

This tape measure features a robust ABS plastic case with a specialized rubberized coating, designed to provide an anti-slip grip and superior impact resistance in demanding job site environments. Engineered with a triple-stop mechanism and a flexible steel blade, it ensures precise, consistent measurements for both professional and DIY applications. Its durable construction is built to withstand tough conditions while maintaining smooth retraction and ease of use.

Technical Specifications

Blade Length	16 ft
Blade Width	19 mm
Measurement Systems	Metric, Imperial

Design & Build

Key Features

- Triple stop mechanism
- Anti-slip grip
- Impact resistant
- Flexible steel blade
- Smooth retraction

Case Material	ABS Plastic with Rubber Overmold
