

Adjustable LCD/TFT TV Mount with 245mm Column

This LCD/TFT TV mount features freely adjustable height. It offers tilt, swivel, and portrait to landscape rotation for maximum viewing flexibility and includes a cable management system.

Product Overview

Versatile Display Mounting Solution

This adjustable LCD/TFT TV mount features a 245mm column, designed to provide a secure and flexible mounting solution for screens ranging from 13 to 27 inches. It offers comprehensive movement, including tilt, swivel, and full 360° rotation for both portrait and landscape orientations, ensuring the perfect viewing angle. With built-in cable management and a sturdy C-clamp design, this mount is an ideal choice for professional desk setups requiring stability and ergonomic adjustment.
