Product Overview

Adjustable LED Eyeball Downlight

This adjustable LED eyeball downlight offers a versatile, high-performance lighting solution for residential and commercial spaces. Featuring an elegant die-cast aluminum smooth trim, the unit is designed for easy installation into standard 4-inch, 5-inch, and 6-inch recessed cans using included clips and springs. With a high CRI of over 90 and Triac dimming compatibility, it ensures superior light quality and control, backed by a 5-year warranty and a 50,000-hour lifespan.
