

Analog Wall Clock with Roman Numerals

This is an analog wall clock with a white face and black Roman numerals. It features a silver-colored metal frame and a green-tipped second hand.

Product Overview

Classic Analog Wall Clock

This elegant analog wall clock features a timeless design with high-contrast Roman numerals, making it suitable for professional offices, waiting areas, or commercial spaces. The clear white face and distinct black hands ensure excellent readability from a distance. Encased in a durable silver-colored metal frame, this timepiece combines classic aesthetics with reliable functionality.
