Overview

High-Performance Angle Grinder

This 100mm angle grinder is engineered for versatile performance in cutting, grinding, and polishing a wide range of materials. Designed with a robust motor and durable construction, it is built to withstand the demands of professional metalworking and construction environments. The ergonomic design ensures operator comfort during extended use, while integrated safety features like a wheel guard and spindle lock provide secure operation.

Technical Specifications

Disc Diameter	100 mm
Safety Features	Wheel Guard, Spindle Lock

Applications

Suitable Applications

- Metalworking
- Construction
- DIY Projects
- Cutting
- Grinding
- Polishing
