

Articulating TV Wall Mount for 34-70 inch Screens

This full-motion articulating TV wall mount is designed for 34"-70" TVs. It features articulating arms for a wide range of motion, allowing for tilting and swiveling adjustments to achieve the optimal viewing angle.

Product Overview

Full-Motion Versatility

This heavy-duty articulating TV wall mount is engineered for screens ranging from 34 to 70 inches. Featuring a robust steel construction, it offers extensive flexibility with tilting and swiveling capabilities, allowing users to reduce glare and optimize viewing angles. The design includes a safety lock mechanism for secure installation and extends up to 440mm from the wall.
